

Assalaamu Alaykum wa rahmatullaahi wa barakaatuhu

Our Islamic theme for this month is **Giving Thanks/Saying Alhamdulillah.**

Carpet time discussions:

- **People who help us:** During our carpet time, we have spoken about people who help us every day; whether they keep us safe like our parents and police officers, or help us to understand how to look after our environment better.
We had visits from the staff of a recycling centre, and from a member of the 'Go For It!' team, who talked to us about how they help us.
We also learnt a special way to say 'thank you' to someone who has been helpful; by saying 'Jazaakallaahu khayr' (May Allaah reward you with good).
- **Giving thanks & saying alhamdulillah:** At carpet time, we discussed the things that Allaah has given us; like our homes, family, food, water, friends, health and lots of other things! We learnt that we should say 'Alhamdulillah' for all that He grants us.

We have introduced the dua' **after eating:**

Please continue our work at home.

JazaakAllaahu Khayran.
