

# Assalaamu Alaykum wa rahmatullaahi wa barakaatuhu

Our Islamic theme for this month is **caring for our planet by recycling**.

Carpet time discussions:

- **Our environment:** We are talking about how to look after our environment and keep it clean.
- **Caring for our planet & recycling:** The practice of the Messenger of Allaah ﷺ: "When asked about how the Prophet used to live in his house, the Prophet's wife, `A'ishah, said that he used to repair his own shoes, sew his clothes and carry out all such household chores done without complaint or want for more." Therefore, we should also consider recycling and fixing things before buying new items, and give things that we don't want to charity rather than discarding them.

Recycling is when we put things like boxes, empty bottles, papers, tins into our recycling bins and then they are collected and turned into something new.

- We have re-introduced the second Kalimah :

**2. Kalimah Shahaadah**

أَشْهَدُ أَنْ لَا إِلَهَ إِلَّا اللَّهُ وَأَشْهَدُ أَنَّ  
مُحَمَّدًا عَبْدُهُ وَرَسُولُهُ

I bear witness that there is no God besides Allah ﷻ and I bear witness that Hadhrat Muhammad ﷺ is His servant and messenger.

Please continue our work at home.

JazakAllaahu Khayran.
